

Reclamation District No. 1601

306 Second Street
Isleton, CA 95641

Regular District Meeting

AGENDA

March 18, 2025

9:00 A.M.

Conference Line Number: 1-844-875-2222

Access Code: 5435746

NOTICE: This Board meeting will be open to in-person attendance. The Board proceedings are also available via teleconference and you may still participate. If you wish to comment, please speak loud enough to be heard and your comments will be considered. Members of the public are encouraged to observe and participate in the teleconference.

1. Call Meeting to Order and Roll Call of Board Members and Staff.
2. Public Comment. Any person may speak on any topic provided it is within the jurisdiction of Reclamation District 1601. If a person wishes to speak on any agenda item, that person may speak now, or if that person wishes to withhold comment until Board consideration of the item, please inform the Board at this time what agenda item the speaker wishes to address, and the Board will solicit additional comment when that agenda item is called. No action or discussion shall be undertaken on any item not appearing on this posted agenda, except that member of the Board or staff may briefly respond to statements made under this "Public Comment" portion of the agenda. Comments or questions requiring detailed discussion shall be assigned to staff to report back to the Board as a matter of business at a subsequent meeting. (Government Code § 54954.2.)
3. Approval of the February 18, 2025, Regular Meeting Minutes.
4. Approval of the accounts payable for March 18, 2025, including transfers and financial update.
5. Setback Levee Project-San Joaquin River: The Board will receive an update, discuss and possibly act on a \$15 million grant from the DWR Fish Passage Improvement Program (FISH) to construct an additional reach of the District's levee setback project along the San Joaquin River.
6. Solar Power-The Board will discuss rising electricity costs. The Board will receive an update on the solar array project.

7. Board will receive an update on the Sevenmile Slough Levee Erosion Repair Project.
8. Board to discuss and receive an update on issues with stability of the C-1 Canal. The Board may approve actions to stabilize the bank of the canal.
